Our History

Our Company was founded by Mr. R.J. Solanki in 1974 and gained solid experience in working for major industries sector.

He started from Mumbai and then extended the business all over Maharashtra. he had executed various types of projects both small and large in magnitude. he started with major industries in Mumbai and all over Maharashtra with our prestigious clients as:

- **Krishna Glass Pvt. Ltd, Thane.**
- **New Great Eastern India Pvt Ltd, Mumbai.**
- **SOMA Textiles Pvt Ltd, Mumbai.**
- **Sterlite Foundation, Mumbai.**
- **Simplex Mill, (Mumbai, Gondia, Akola),**
- **Vedanta Foundation, Mumbai.**
- **Rotary Club of Mumbai.**
- **Prime Urban Textiles, Mumbai.**
- and many more...

Now the company is managed by his three sons, they carry forward the business with new experience of technologies & Innovations in Civil Industry:

- **Mr. Ramzan R Solanki (Dipl Civil)**
- **Mr. Imran R Solanki (BE Mech)**
- **Mr Arif R Solanki (BE Civil)**

About Us

We are client-focused Group providing multi-disciplinary contracting services over a range of building residential, commercial and Industrial sectors.

Our Organization and our sister concerns Organization has Successful background of last 45+ years in construction Industry. We started our business from Mumbai since 1975 and now we stand as a successful civil contractor in Mumbai.

The reason of our continuously growth into a Construction sector is because of our experienced personnel from the Construction industry and the aim of the company to give high quality Services and timely execution with proper safety and we make sure that the project is managed executed professionally and delivery is beyond client's expectations thus our clients can always be assured that only the most experienced and qualified peoples are serving them, at all time.

We pride ourselves on the relationships we build with business partners, clients and suppliers and on the quality of our services. Over the years, the key personnel's of the group has undertaken many challenging projects and accumulated skills, know-how and experiences in Waterproofing treatment work, Tiling Work, Fabrication & tensile structure work and related Engineering works.

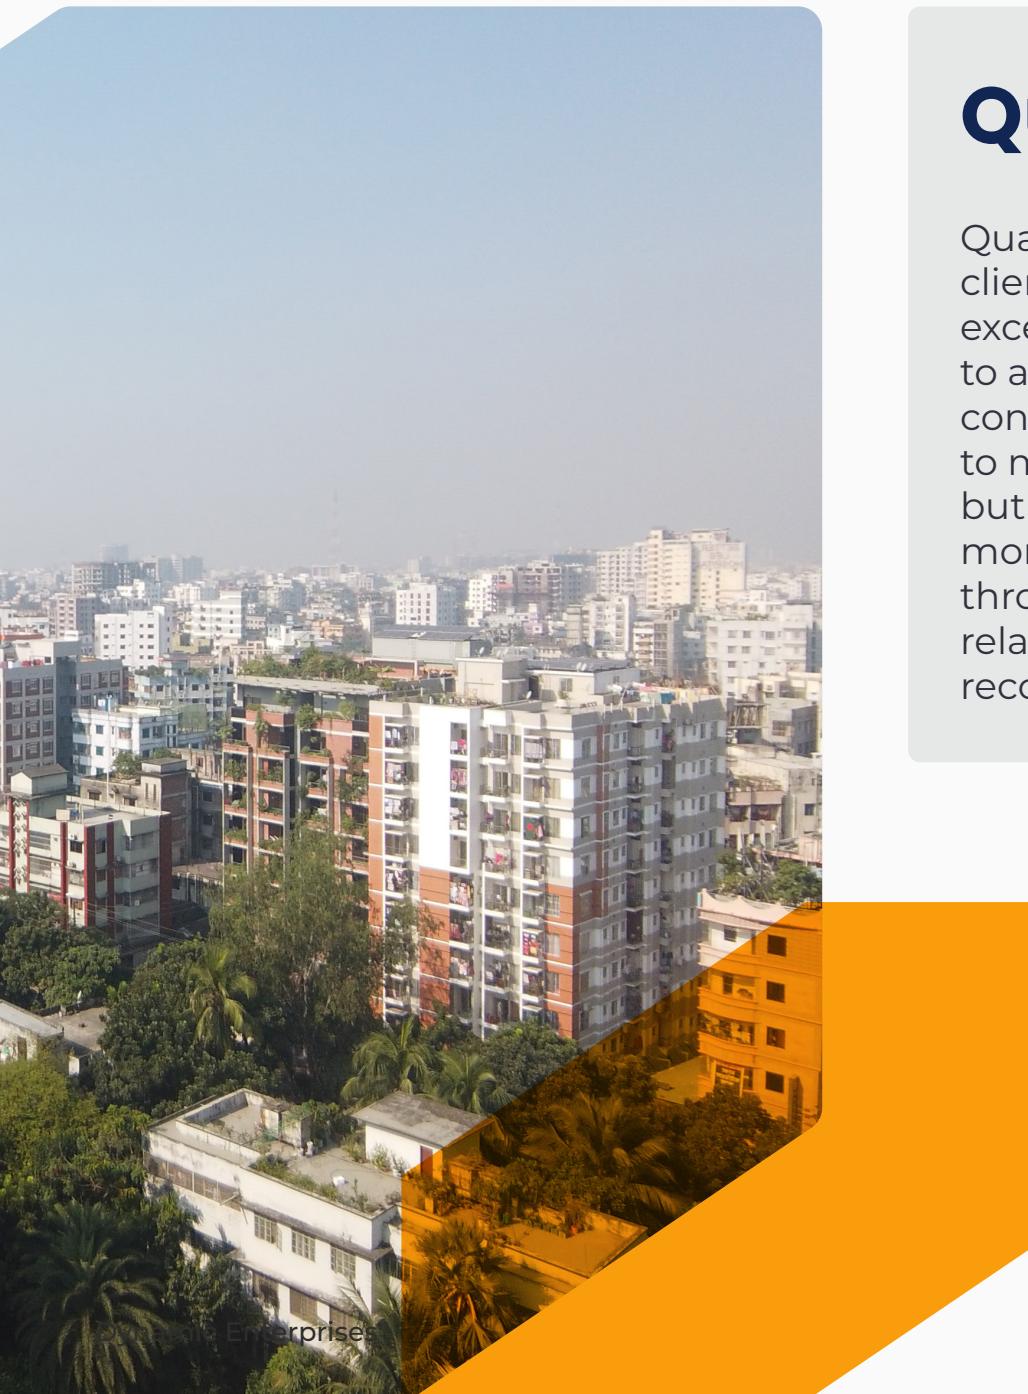

Mission

To procure projects at competitive pricing, provide safe working conditions and deliver quality work within reasonable time frame.

Safety

We are committed to making safety a top priority for all employees. We integrates safety and risk management into our delay operations, ensuring that it becomes a natural part of our operation's culture enhancing management/worker cooperation proving term result.

Quality

Quality we committed to client satisfaction through excellent performance to achieve the vision we continually strive not only to meet client expectations but also to exceed them. We monitor our performance through customer relationship and industry recognition.

Our Management Team

The Business is driven by our directors and collectively they accumulate more than 45+ years of work experience in construction sector. They are involved in the business development, procurement, project management and administration of the company. The management team proactively gathers feedback, identifies changes in business environment, reviews work process and communicates key learning points and company policy to all staff at regular meetings.

The company enjoys the involvements of Engineers, Technicians Skilled and Unskilled laborers required for the success implementation of projects.
